**International  
Yacht  
Training®**

**Learn to Sail a Yacht. (2 day Course)**

A course designed for absolute beginners. Sail in Asia provide our guests with a quality sailing course on a sailing yacht that is ideal for learning. The yacht Tuay Lek pictured left and below is used for small courses (1 - 5 persons). The IYT Learn to sail Certificate is awarded at course completion. The 2 day course is structured to ensure the learners become proficient crew and helm. This is a fun course with quality teaching in an idyllic location. The course is 95% practical to maximise your practical skills!

**International Crew. (4/5 day Course)**

A course designed for absolute beginners. The IYT Learn to sail course is the foundation course and on day 3 and 4 we move onto a larger yacht and learn both theory and practice of crewing a large boat. The full course syllabus is outlined in the IYT logbook and on line. The IYT International Crew Certificate is awarded on course completion. This is the fundamental crew course for beginners and by course completion you are a useful and skilled crewmember.

**IYT VHF Radio Operator Course (1 day)**

A competency based course, learning how to use a VHF radio. Theory and practical course with certification.

**IYT Watchleader/ Flotilla Skipper (5 days)**

This is the foundation course for navigators and skippers. The 5 day course introduces the trainees to the art of navigation. Seamanship and skippering techniques are also vital aspects of this course.

**IYT Bareboat Captain (5 days)**

This is the extension course for navigators and skippers. The 5 day course extends the trainees knowledge of navigation, Seamanship and Skippering techniques. By course end the trainee will feel comfortable with commanding a yacht in coastal waters in daylight hours. This certificate will enable you to charter yachts in many parts of the world. Foundation for commercial qualifications.
