

Knots for Sail in Asia

REEF KNOT

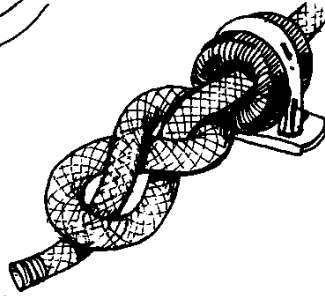

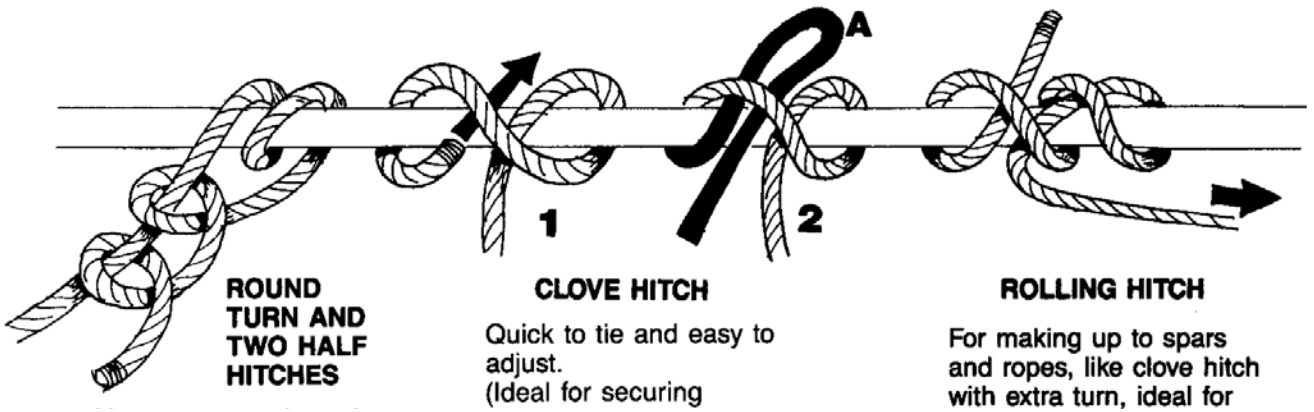

FIGURE OF 8

ROUND
TURN AND
TWO HALF
HITCHES

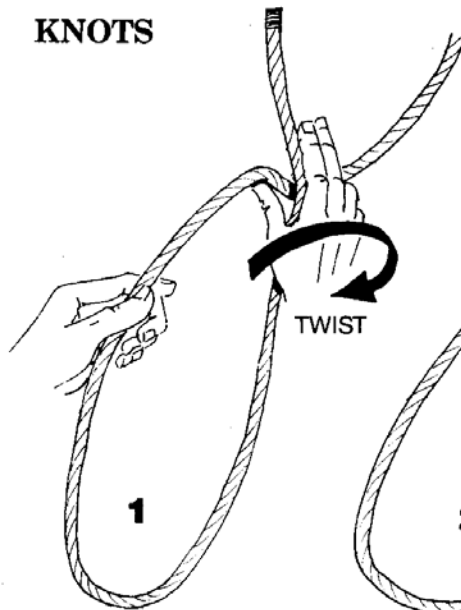

CLOVE HITCH

Quick to tie and easy to adjust.
(Ideal for securing

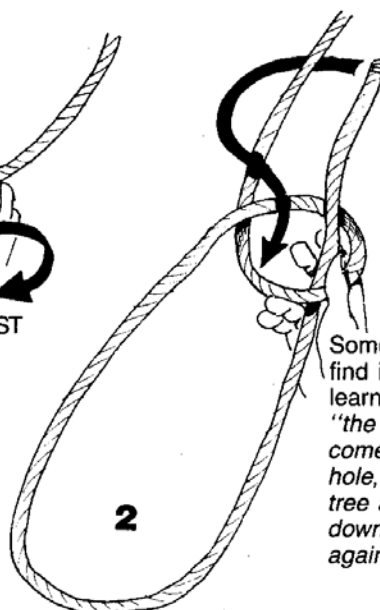

ROLLING HITCH

For making up to spars and ropes, like clove hitch with extra turn, ideal for

KNOTS

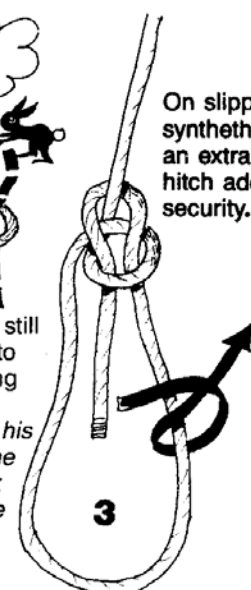

1

2

Some people still find it easier to learn by saying "the rabbit comes out of his hole, round the tree and back down the hole again!"

3

On slippery synthetic rope an extra half-hitch adds security.

The **BOWLINE** is the best knot for forming a loop or
