

# IYT / SiA Turning the Boat Using the Sails

## The Effect Of The Main Sail

- ◆ Let the jib sheets go so that all of the sail flaps.
- ◆ Pull the main sail in.

The boat will now turn towards the wind.

## The Effect Of The Jib.

- ◆ let the main sheets out so the main sail can flap.
- ◆ Pull the jib sheets to stop the jib flapping.

The boat will now turn away from the wind.
